

SPRING SUMMER 2026

HONGO

A lush green garden scene with a pond, two yellow chairs, and dense foliage. The scene is captured in a vertical orientation. In the foreground, a calm pond reflects the surrounding greenery. Two yellow metal chairs are positioned on a grassy bank. The background is filled with various types of trees and plants, including large-leafed plants and a weeping tree. The overall atmosphere is serene and natural.

We're a safe bet, we endure when nothing else endures. People and clothing always on your side, giving you exactly what you expect. We're loyalty to a set course, unquestioning support for your hopes, that unconditional company that you always want by your side. A way of being, thinking and doing that will never, ever, fail you. We represent the harmony, coherence, unintentional elegance and discreet, seductive charm of those who carry themselves with self-assurance. A style of our own, passionate but serene, rooted in confidence tested over time, linked to the things that matter now and will matter always.
